MEMORANDUM FOR: AD/TRC

SUBJECT: Comments re Memorandum dtd 26 Oct 51 from ADSO

1. Existing Common Instruction courses in Staff Training with slight modification would meet the requirement stated in Paragraph #4, Subject memorandum.
2. Recommendation contained in Paragraph #11 b. implies one basic course be established. In view of various levels of operational experience attained by students enrolled in Common Instruction courses, it is deemed more flexible to maintain the existing series of five Common Instruction courses, each with a training objective.
3. The implied requirement that all covert employees receive a complete course of Common Instruction would necessitate para-military students who are now enrolled in the BOC and OC completing the SIC and CAI prior to their enrollment in courses conducted by QMT, and would also require all staff employees of the covert offices to complete all phases of Common Instruction.
4. With reference to the recommendation contained in Paragraph #11 a., existent Common Instruction courses could reflect this organizational change through the modification of existing subjects which deal with organizational matters.
